

Directions from

Puerto Vallarta International Airport North to VILLAS BUENA VIDA, Rincon de Guayabitos, State of Nayarit, Mexico:

There are taxis at the airport. We have a guaranteed rate for hotel guests at Villas Buena Vida with AERO MOVIL, an official taxi company that has an office right across from the baggage claim area. A car taxi for 1-3 people is 650 pesos. Winstar Van 1-5 people is 850 pesos and Suburban 1-7 people is 950 pesos. You can email them directly at: carsos@prodigy.net.mex. All international brand rental cars are available at the airport.

Go left (north) from the Airport. When you cross the River Rio de Ameca, you are now in the State of Nayarit, leaving the State of Jalisco. At this point, turn your clocks BACK one hour! You just left the Central Time Zone and are now on Mountain Time.

Important to remember when you catch your plane at PVR which is on Central Time. You are on Federal Highway#200, a 45 minute drive from the Airport to Guayabitos-LaPenita. When you get to Rincon de Guayabitos at approximately milepost 95 km - see the water tower, turn left and the Oficina de Turismo (Tourist Office) is right there. A very short block and turn left again. You will see street vendors selling beach articles, primarily. When you see the Church on the left, take the first turn to the right (towards the beach) after the Church. Another short block at end of street and a left and there is VILLAS BUENA VIDA! - right on the beach.

Another alternative is the bus (autobus). The bus station is about a mile north of the Airport - take a taxi to the bus terminal and the cost is about \$5.00 USD per person. Buses leave about every hour and stop in LaPenita, the town about a mile from Guayabitos. When you get there, the taxi is about 30 pesos to VILLAS BUENA VIDA.

It is easy to exchange dollars to pesos at the Airport to the left of the baggage claim area. You can either exchange or use the ATM machine

Sincerely, German, Karen, Mark
